### Dear Friends,

We are pleased to invite you to attend a National Seminar on "Scope and Management of Skin diseases in Siddha System of Medicine" jointly organized by Siddha Regional Research Institute, Puducherry and Sivaraj Siddha Medical College, Salem on 13th December 2018 at Sivaraj Medical College campus, Salem.

### Siddha System of Medicine

Siddha is the mother medicine of ancient Tamils/Dravidians of peninsular South India. It emphasizes preventive, curative and promotive health. Siddhars, the ancient spiritual saints are said to be the founders of this medical system. Fundamental Principles of Siddha include theories of Five Elements and Three humours (Mukkutram). Eight fold type of Examination (Envagai Thaervukal) is used to determine diagnosis, etiology, treatment and prognosis. The cornerstone of Siddha medicine for healthy living is food and life style.

### Central Council for Research in Siddha

The Central Council for Research in Siddha (CCRS) is an autonomous organization under Ministry of AYUSH, Govt of India, New Delhi. It is an apex body in India for undertaking, co-ordinating, formulating, developing and promoting research on scientific lines in Siddha. The research activities of the Council include Pre clinical research, Clinical research, Drug research and Literary research in Siddha. There are 7 peripheral Institutes/Units – 3 located in Tamil Nadu, one each in Puducherry, Kerala, Karnataka and New Delhi under CCRS for carrying out its research activities and health care services. CCRS is currently carrying out 33 Intra-Mural Research (IMR) projects funded by Ministry of AYUSH.

### Siddha Regional Research Institute, Puducherry.

It is a peripheral institute under CCRS, established in 1979, now functioning in its own premises at Kuyavarpalayam, Puducherry. SRRRI conducts clinical research and provides health care for various diseases through Siddha system of medicine as an adjunct to research pursuits.

### Sivaraj Siddha Medical College, Salem

Sivaraj Siddha Medical College was founded in 2009 with the objective to mold medical students and to serve the educational and health needs of the community through Siddha system of Medicine. This college offers 'Bachelor of Siddha Medicine and Surgery' (BSMS) course affiliated to The Tamil Nadu Dr. M.G.R. Medical University, Chennai recognized by the Central Council of Indian Medicine (CCIM), New Delhi. It is located close to Salem, Tamil Nadu. It is one of the meritorious Siddha Institution.

### Siddha day

As per the approval of Ministry of AYUSH, Govt. of India, Siddha Day is celebrated every year on the star birthday of Siddhar Agathiyar, the father of Siddha Medicine. Accordingly, the second Siddha Day falls on December 26<sup>th</sup> 2018 and the celebrations are going to be held at Kalaivanar Arangam, Chennai. This Seminar is being conducted as a prelude to the second Siddha day.

### About the Seminar

Siddha system of medicine is able to heal many maladies, especially Skin diseases. It deciphers the root cause and tries to address the prime issues that cause the ailment. Hence it is able to delve deep into the cause of the disease and heal diseases like allergies, atopic dermatitis, psoriasis, vitiligo, warts etc. The aim of the Seminar is to share the latest knowledge and experience regarding the scope and management of skin diseases in Siddha system of medicine.

### Thrust Areas

- Siddha fundamentals and principles in treating Skin diseases
- Psoriasis/Eczema/Vitiligo/Alopecia and its management through Siddha system
- External therapy in Skin diseases
- Scope for Siddha management in treating Diabetic ulcers (Non healing ulcer)
- Siddha Dietetics in Skin diseases

### Who can attend?

- Siddha UG/PG/SRF/RA
- Siddha Practitioners
- Faculty/ Research Officials of Siddha Institutions

### Venue

Auditorium,  
Sivaraj Medical Colleges,  
Salem, Tamil Nadu - 636 307.
