

Swasthya Rakshan Programme (SRP)

Swasthya Rakshan Programme (SRP) is an initiative of the Government of India that aims to survey and create alertness of essential health appliances to ameliorate society from its grassroots level.

Objective:

- To organize Swasthya Rakshan OPDs and Swasthya Rakshan Camps
- To create awareness about cleanliness and hygiene of the domestic environment
- To provide medical aid and related support in the adopted colonies and villages
- To document demographic information, food habits, hygiene conditions, seasons, lifestyle and disease prevalence
- To assess health status and propagation of Siddha concept of diet and extension of healthcare services
